 Shown with optional
 custom colors

DESCRIPTION

Carter-Hoffmann PUC Smart Order Pick-Up cabinets are designed for automated pick-up, carry-out and drop-off, including 3rd party delivery. Available in front-loading and pass-through. Add-on cabinets can be connected to a Master cabinet for flexible capacity. Cabinets are connected via Ethernet to generate an order QR code. They can operate stand-alone or be integrated with sales and online software for seamless function and data analytics.
